

SOFT-FIRED GREENWARE

PORCELAIN

With our definite commitment to quality and excellence in all our products, you will find our soft-fired greenware [SFGW] to be of the highest quality. We pour soft-fired greenware to suit you.

All doll soft-fired greenware is cast in the finest porcelain slip in a color of your choice. Soft-fired Greenware is greenware fired to Cone 018, which required cleaning, polishing and then fire to Cone 6

Key Benefits

- Over twenty five years experience in casting
- Highest quality soft-fired greenware
- Many molds to choose excellent soft-fired greenware from

Updated soft-fired greenware listing June, 2013
